The prices shown within our list **include**: -

- **The first 70 letters of inscription** (except vases & small items).
The 70 included letters are usually sufficient for a single inscription. **Extra** letters are charged individually. We can reproduce most lettering styles: renovation and additional inscription work completed in the original style, wherever possible.
The prices (per character) for popular lettering styles on **new** Memorials are as follows: -
Incised and Enamel on Marble & Stone £2.10
Incised and Gilded with 24 carat Gold Leaf £2.75 *
(*In our opinion genuine Gold Leaf is superior to gold paint in both appearance and durability).
- Delivery and fixing on a Terrazzo or Concrete foundation. (Within 30 miles of Workshop/Chesterfield) Granite foundations are also available as an option, at an additional £30.
- An approved **Security Ground Anchor System**, fitted with the foundations (where appropriate) for safety and stability. This can help prevent a Memorial failing periodic safety tests of the type that are becoming increasingly introduced.
- **A Guarantee against defects arising in materials or workmanship (subject to conditions)**
Stoneguard Memorial Insurance – covers all risks and is strongly recommended for further peace of mind – details on request.
- **All of our prices include VAT (where applicable).**
- **Work is carried out to the Code of Practice of The National Association of Memorial Masons.**
- **We are members of, and licensed by the British Register of Accredited Memorial Masons.**

The only essential extra are fees charged by the Cemetery or Churchyard; for which we attend to the administration on your behalf, and add to the account, at cost.

INDIVIDUAL DESIGN SERVICE

Each memorial is a very personal and unique item – therefore we treat them individually. Our price list is a guide to the overall cost of a Memorial - but we can accommodate minor variations either within the list price or for a moderate surcharge. The possible options are far too numerous to list, but they would be fully discussed during a consultation.

We are also able to assist those people who wish to commission something very special and individual. This could be, for example, a sandblast and painted design, a light carving, or a detailed three-dimensional carving.

Favourite flowers, religious figures, military or professional badges and illustrations of hobbies, sporting scenes or animals are amongst the many possible variations.

Once the design is completed, the combination of modern equipment and traditional skills allow us to produce the work at a very reasonable cost.

We are often called upon to reproduce Monuments that were originally created many years ago. As well as our own team of craftsmen, we also have strong associations with craftsmen and artisans throughout the World to ensure that we can produce and reproduce the most intricate and precise work.

Gone, but Not Forgotten

In Remembrance of

Just Asleep

Always Remembered

With Love We Remember

Requiescat In Pace (R.I.P)

The Lord is My Shepherd

Rest After Weariness

At Peace in God's Garden

At Rest

Resting Where No Shadows Fall

To Wake Again in Heaven

Peace after Pain

Reunited

Together in God's Garden

United in Peace and Eternal Love

Loves last Gift, remembrance

At Peace

Remembered with a smile

Her life a beautiful memory
Her absence a silent grief

Those we love don't go away
they walk beside us everyday

Gone are the days we used to share
But in our hearts you're always there

We never got to say goodbye
But in our hearts you will never die

To live in the hearts of those we love
Is not to die

May Perpetual Light shine upon them

Jesus called a Little child unto Him

A tiny flower lent not given
To bud on Earth and bloom in Heaven

In God's care you rest above
In our hearts you rest with love

Those who gave our lives beauty
live forever in our hearts
